

Falls Village Shopping Center

Raleigh, North Carolina

Falls Village Shopping Center was originally constructed in 1972 and serves an established, high-end residential area in the North Raleigh market.

The center is anchored by TJ Maxx and Fresh Market and is home to a wide variety of strong local tenants. The redevelopment of Falls Village was

undertaken in conjunction with BVT Development Corporation of Atlanta, Georgia.

Our role included construction supervision for the major renovation and expansion of the center, along with securing such tenants as Chick-fil-A, Panera Bread Company, and Stonewood Tavern & Grill. The completed redevelopment was sold in 2003.
